****All major powering components are listed and certified UL items****

****Any sale of a unit to another person or transfer of unit ownership does not carry over warranty to new purchasing party****

ELECTRIC UNITS ARE TO BE INSTALLED BY A VALID, CERTIFIED, AND LICENSED ELECTRICIAN. WITHOUT PROOF OF INSTALL FROM SUCH OR ANY SELF INSTALL ON THE PURCHASED UNIT WILL RESULT IN AN INSTANT VOID OF WARRANTY, PLEASE SAVE PROOF OF INSTALL.

GAS/LP UNITS ARE TO BE INSTALLED AND INSPECTED BY CERTIFIED AND LICENSED PIPE FITTER (PLUMBER) OR A GAS INSTALLATION COMPANY. ANY SELF INSTALL WILL AUTOMATICALLY VOID ALL WARRANTY. ANY TAMPERING OR ALTERATIONS TO BURNERS WILL VOID WARRANTY.

When making a warranty claim, exchange, or submission, please include current photos of the item and current condition of unit and email us along with the proof of certified install. Please include a detailed statement of the issue at hand. Any items that are submitted without pictures will result in a decline of warranty submission. We need to see the item being at fault, in its faulty state, or broken to submit the claim.
